## IMPORTANT SAFETY INSTRUCTIONS

### Warning!

This safety guidelines are designed for you to help you operate your Fresh 'n Rebel Selfie Stick safely. To ensure your personal safety and reduce the risks of fire, electric shock, or injury:

- Always follow the instructions and warnings closely.
- Read all instructions in this user manual carefully before operating the product.
- Do not open the device; there are no serviceable parts inside.
- Do not operate the Selfie Stick near a heat source, a heat vent, or under direct sunlight for long durations. Your Selfie Stick should be used between temperatures 0°C-40°C (32°F-104°F).
- Make sure that your smartphone is completely secured to your Selfie Stick.
- Always be fully aware of your surroundings when using your Selfie Stick. Never put yourself or others in a dangerous situation

### Warranty & Limitations

We warranty this product against defects in material and workmanship under normal usage, as described in the user manual, for a period of 2 years from the date of purchase. During that period, defective products may be offered for repair or replacement at the store where the product was bought.

The warranty does not cover accidental damage, misuse, setup adjustments, wear and tear, incidental loss or use beyond the instructions in the user manual.
