## Overview

### Description 25 Word

CORSAIR Hydro X Series XT Hardline Tubing completes the connections between your Hydro X Series custom cooling equipment, putting your coolant on display with crystal-clear PMMA tubing.

## Overview

### Description 50 Word

CORSAIR Hydro X Series XT Hardline Tubing completes the connections between your Hydro X Series custom cooling equipment, putting your coolant on display with crystal-clear PMMA tubing. Built to last under high pressure and high coolant temperatures, while still easy to cut with a standard fine-toothed hacksaw (not included).

# CORSAIR Hydro X Series XT Hardline 14mm Tubing

## Features

### Style 1

- High quality, straight-line tubing for perfect tubing runs.
- Crystal-clear PMMA tubing puts your coolant on display.
- Resilient construction that won't warp or deform under high pressure or high coolant temperatures.
- Easy to cut to an ideal length for your custom cooling system using a fine-toothed hacksaw (not included).

### Style 2

- **High Quality, Straight-Line Tubing:** For perfect and precise tubing runs.
- **Crystal-Clear PMMA Tubing:** Puts your coolant on full display.
- **Resilient Construction for Custom Cooling:** Won't warp or deform under high pressure or high coolant temperatures.
- **Easy to Cut:** Create unique and stunning tubing runs, cutting to length using just a fine-toothed hacksaw (not included).
