

Vacuum Cleaner Stand Set

1911L1-0

The Makita freestanding stick vacuum cleaner floor stand can be placed anywhere in the jobsite or in the home. It consists of 4 heavy duty metal rods and a weighted base which provides great storage for accessories. The non-slip rubber base means that it is sturdy and helps to protect all floor types.

Compatible with CL001G, CL003G, CL106FD, DCL180, DCL181F, DCL182, DCL280, DCL286

 **EAN 0088381799034**
