Contents: Pannier with shoulder strap and reduction inserts for 8, 10 and 12 mm

Optional accessories: Packing Cube S/L, Packing Cubes/Commuter Insert for Panniers, Pannier Carrying System, Anti-Theft-Device (E125), Outer Pocket 2,1 L, Mesh-Pocket, QL2.1 hook 18 mm (E211) & 20 mm (E193)

Attention: Maximum load per pannier is 9kg / 20 lbs. We recommend weighing each loaded pannier to confirm that the maximum allowance of the pannier fixation is not exceeded. This practice is advised for both rear and front panniers. **CAUTION:** The maximum weight capacity of every carrier model is different. Please observe the maximum weight allowance of the carrier fitted to your bicycle. **Note:** Sometimes the maximum capacity of the panniers fixing system can exceed the maximum capacity of the carrier. **DO NOT** exceed the maximum capacity of the carrier! **Note:** that the use of panniers will significantly influence the handling properties of your bicycle.

Attention: As abrasion cannot be ruled out, we recommend that all points where the mounting system contacts the bicycle rack or frame be protected by scratch protection film.

Note: In order to meet standard IP64 (6=dustproof 4=protected against splash water coming from all directions) the lid must be rolled 3-4 times.

BUILT TO ENDURE.
WATERPROOF.
MADE IN GERMANY.
