 black shiny	020-1933	4009729067888

Maximum number of sheets of 80 g/m² paper. The maximum capacity in this case is 50 sheets.

Tool with metal functional parts

Temporary stapling makes it easy to keep papers together for short periods. The advantage: staples can be removed quickly and easily.

For quick fastening: nailing.

Quantity and type of staple that can be used. In this case, 100 pieces 24/6 to 24/8.

Quantity and type of staple that can be used. In this case, 150 pieces 26/6 to 26/8 staples.

Maximum paper insertion depth, in this case 60 mm.

The spring loading mechanism - by pressing a button at the rear of the stapler, the staple magazine is released for front loading.

With staple legs resting flat against the paper, flat-clinch stapling cuts filing space by as much as 30 %. The minimum amount of space taken up by staple ends optimises binder capacity.

Novus offers a warranty of 25 years when handled in a proper manner.

The quality statement „German Engineering“ ensures that a product was developed according to German quality standards by our engineering experts. All Novus products carrying the „German Engineering by Novus“ signet are manufactured in our own plants around the world by our own workforce, managed and supervised by our headquarters in Germany.

This machine bears the GS approval of product safety.
