METIS Stereo Headset, 3,5mm Jack with Y-Adapter, black

The METIS stereo headset combines a comfortable wearing experience with modern technology. The headphones are a real lightweight and have a stable headband as well as soft ear cup padding for comfortable work in the home office or office. Thanks to the lively, natural stereo sound, telephone calls and video calls are particularly pleasant. In addition, the METIS headset has an integrated wired remote control that can be used to adjust the volume and activate the mute function. Thanks to the practical Y-adapter, the headset can be connected via a 3.5mm connector as well as to devices with 2x 3.5mm connectors.
