

HD662 Series

PROFESSIONAL MONITORING HEADPHONES

HD662 / HD662F / HD662B

Description

The HD662 series offers three distinctive sound profile, each with its own character. These three headphones also deliver clarity, accurate and well balance sound. The ergonomically designed vinyl ear pieces combined with light weight and self-adjusting headband of these headphones make them very comfortable.

Whether you are monitoring, tracking, mixing or just listening to your MP3 music, you can expect comfort and sonic accuracy from HD662 series headphones.
