

Model: ST-7227U

Art.: 88887366

Small lockable Hot-Swap device supporting one 2.5" and one 3.5" hard disk for additional mounting in an external 5.25" bay.

You can insert the hard disks directly into the device without using an additional mounting frame. When opening the device an intelligent mechanism pushes the hard disk out to remove it easily.

An USB TypeC and an USB TypeA port, both supporting USB 3.2 Gen1, complete this device.

Features		2x Hot-Swap frames Backplane with SATA III connector (max. 6G) Each Hot-Swap frame lockable seperately Plug & Play
Size	Mounting space	1x 5.25" bay
