Dual-purpose chassis – Industrial / Home

Designed for industrial rackmount or high-end home system usage, which can be placed in vertical or horizontal orientations.

Unparalleled rackmount cooling performance

2 x Air Penetrator 184i PRO fans pre-installed to provide excellent system cooling.

Downward compatible with 3 x 120mm fans which also allows for triple 120mm or dual 180mm liquid cooling radiator.

Tremendous hardware versatility

An internal 3.5" drive cage allows installation of 2 x 3.5" HDDs. If it's to be left unoccupied, enables the option of installing a secondary PSU in SFX form factor
