

**25ft CAT6 Ethernet Cable - Black CAT 6 Gigabit Ethernet Wire -650MHz 100W PoE++ RJ45 UTP
Category 6 Network/Patch Cord Snagless w/Strain Relief Fluke Tested UL/TIA Certified**

Product ID: N6PATCH25BK

The N6PATCH25BK Cat 6 Patch Cable (25 ft) meets or exceeds all Category 6 cable specifications to ensure reliable Gigabit network connections, and features a durable black PVC jacket that enables you to color code your network cable runs as needed.

To ensure long-lasting performance, this high quality Cat 6 patch cable features a snagless design that protects the RJ45 connector clips from damage and makes the cable less prone to snagging during installation. The cable also features molded PVC strain relief that prevents the RJ45 connector termination points from bending at sharp angles - reducing the risk of cable damage, which could decrease network performance.

Constructed of only top quality materials, this Cat 6 Patch Cord delivers reliable performance and is backed by our Lifetime Warranty.

StarTech.com Cat6 cables are manufactured using high-quality copper conductors. While many cable manufacturers offer a "cheaper" cable based on a copper-coated aluminum core, we make no compromises on quality to ensure you receive top value and performance for your network cable investment.

This Cat6 cable is constructed with 24 gauge copper wire, to support a broad range of Ethernet applications such as Power over Ethernet (PoE). Because we use a high quality copper wire, our cables easily sustain the power required for Power over Ethernet applications, whereas the inferior quality offered by copper-coated aluminum cables may be subject to insufficient power delivery, heat buildup, equipment damage and potentially, fire.

This Cat 6 patch cable offers high quality connectors comprised of 50-micron gold, to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.

Certifications, Reports and Compatibility

Applications

- Entwickelt für Gigabit-Netzwerke
- Patches von Hub zu Verteiler
- Verbindet Workstation mit Wandsteckdose
- Extend the reach of your Gigabit network devices by 25 ft

Features

- Schutz für den Clip am RJ45-Stecker
- Sorgfältig entwickelt und getestet für akzeptable Nah-Nebensprechen-Werte (Near End Crosstalk - NEXT)
- Farbige Hauben für Farbcodierung nach Abteilung
- Vergossene Zugentlastung verhindert zu starke Beugung des Kabels am RJ45-Stecker zur Minimierung der Belastung am Anschlusspunkt
- Gefertigt aus hochwertigen Komponenten
- Hochwertiges 24-AWG-Kupferkabel
- ETL-verifiziert

Hardware	Warranty	90 Days
	Anzahl von Leitern	4 Pair UTP
	Typ der Kabelummantelung	PVC - Polyvinyl Chloride
	Feuerwiderstandssklasse	CMG Rated (General Purpose)
	Kabeltyp	Snagless
	Verkabelungsstandard	TIA/EIA-568-B.1-2001 T568B
Leistung	Kabelnennwerte	CAT6 - 650 MHz
Steckverbinder	Steckverbinder A	RJ-45
	Steckverbinder B	RJ-45
Physische Eigenschaften	Farbe	Black
	Drahtstärke	24 AWG
	Leitungstyp	Stranded Copper
	Kabellänge	25.0 ft [7.6 m]
	Produktlänge	25.0 ft [7.6 m]
	Produktgewicht	11.5 oz [326 g]
Verpackungsinformationen	Package Length	8.7 in [2.2 cm]
	Package Width	7.9 in [2 cm]

Package Height 1.2 in [30 mm]

Versandgewicht
(Verpackung) 11.8 oz [335 g]

Verpackungsinhalt	Im Paket enthalten	25 ft Black Snagless Cat6 UTP Patch Cable - ETL Verified
