### ENVIRONMENTAL PROPERTIES OR CHARACTERISTICS

|                                                        |                   |
|--------------------------------------------------------|-------------------|
| Product recyclability                                  | Mostly recyclable |
| Recycled material in the product                       | 0                 |
| Rare earths in the product, contains at least (mg)     | 0                 |
| Precious metals in the product, contains at least (mg) | 0                 |
| Packaging recyclability                                |                   |
| Recycled material in the packaging                     | 0                 |
| Possibility of reusing packaging                       | No                |

### MAIN FEATURES

|                                |               |
|--------------------------------|---------------|
| Product name / Commercial code | CHW6LBB       |
| Product code                   | 33801977      |
| EAN Code                       | 8016361966932 |
| Type of cooktop                | Gas           |
| Number of zones                | 4             |

### TECHNICAL FEATURES

|                               |                                 |
|-------------------------------|---------------------------------|
| Voltage (V)                   | 220-240                         |
| Electronic timer              | No                              |
| IoT App                       |                                 |
| Type of safety device for gas | Electromagnetic for each burner |

### PROGRAMMES AND FUNCTIONS

|                             |                      |
|-----------------------------|----------------------|
| Type of 1st heating element | Semirapid gas burner |
|-----------------------------|----------------------|

|                                           |                      |
|-------------------------------------------|----------------------|
| Type of 2nd heating element               | Auxiliary gas burner |
| Type of 3rd heating element               | Rapid gas burner     |
| Type of 4th heating element               | Rapid                |
| Type of 5th heating element               | -                    |
| Type of 6th heating element               | -                    |
| AESTHETIC                                 |                      |
| Colour                                    | Black                |
| Surface material                          | Inox/Steel           |
| Control method                            | Knobs                |
| Knob colour                               | Nera                 |
| Grids type                                | Wire                 |
| Type of lid                               | Without              |
| PERFORMANCE                               |                      |
| Power of 1st heating element (W)          | 1750                 |
| Power of 2nd heating element (W)          | 1000                 |
| Power of 3rd heating element (W)          | 2500                 |
| Power of 4th heating element (W)          | 2500                 |
| Power of 5th heating element (W)          |                      |
| Power of 6th heating element (W)          |                      |
| DIMENSIONS                                |                      |
| Required niche size for installation (mm) | 560x480x35           |
| Dimensions of the product (mm)            | 595X510X8            |
| Product height (mm)                       | 8                    |
| Width (mm)                                | 595                  |
| Product depth (mm)                        | 510                  |
| Packaged Product Height (mm)              | 127                  |
| Width of the packed product (mm)          | 634                  |
| Packaged Product Depth(mm)                | 556                  |
| Gross weight (kg)                         | 7.67                 |
| Net weight (kg)                           | 7.24                 |
